A Resident Services agent will email the sublessee and application link, which they should use to apply.

If the sublessee’s application is approved, a sublease authorization form will be sent to both the sublessor and their roommate(s), if applicable.

06

Subleasing Fee is Due

After the authorization form is signed, the sublessor must pay a \$50 sublease fee to proceed.

07

For summer subleases, the total rent for the duration of the sublease must be paid upfront at the time of signing.
